# PURPOSE

---

We don't want to just be the **leading furniture and flooring supplier**. We believe that our purpose is a lot more than supplying you with a pretty, task chair in a box.

We don't want to just be **out-of-the-box thinkers**. We think about spaces as a whole, both inside and out.

We are not just a **one-stop solution provider**. We need to collaborate with you to help find the right products that will work best in the spaces you design.

We are not just a **home for the best global brands**. We are proud that we've been in the UAE for the past 33 years to witness and contribute to the growth of the country we call home.

# PARTNERS

We believe in the **power of diversity** and that only with the right partners, ideas can evolve.

The brands we represent are not only leaders in their respective sectors, but also innovators and advocates of **corporate social responsibility** and **environmental sustainability**.

OFIS team believes that interiors should inspire, creating human-centric spaces for the people who will inhabit them. Through appealing aesthetics and thoughtful ergonomics, our brands have a strong commitment to provide customers with truly sustainable and innovative products.

# Steelcase

---

*Steelcase is leading the way with innovation, sustainability, and human-centric designs*

---

Steelcase classrooms rethink “the box” and move away from the traditional setting of rows of fixed tablet chairs and a lectern.

These classrooms engage and inspire by putting control of the learning space in the hands of students and instructors.

*Lead time: 10-12 weeks    Country of Origin: US & Europe*  
*Warranty: 8 years*

# Steelcase

*Node classroom features Node on casters with personal workspaces, portable Huddleboards and a height-adjustable instructor table for maximum flexibility and comfort.*

- Lightweight Huddleboards are ideal for small group content creation and review.
- Instructors can position their adjustable table and stool at any point in the room that's best for their teaching style.
- With built-in storage in the base, personal workspace, Node makes maximum use of every square foot of classroom space.

*Node classroom from Steelcase*

# Steelcase

***Verb is an integrated system of classroom furniture designed to support a variety of learning and teaching styles on demand.***

- The freedom to move and engage means wall protection is required in all active learning settings.
- Information persistence is supported with wall track at multiple heights for whiteboards
- Seating that swivels supports all user types.
- The table's chevron shape supports the individual's intimate zone, separating "my" space from "your" space.

*Verb classroom from Steelcase*

*With its partners Coalesse and Turnstone, Steelcase offers a large selection of ancillary furniture, lounge and multi-purpose seating*

*Lounge seating from Turnstone | Steelcase*

# Boss Design

*Designed globally – produced locally  
Boss Design has been manufacturing  
in Dubai for more than 10 years*

Moving away from the traditional settings, classrooms and libraries are becoming more immersive, inclusive and collaborative.

Boss Design products cater to different forms of learning environments that are not only closely attuned to the needs of particular forms of learning but also responsive to the needs of individual students.

*Lead time: 8-10 weeks*
